

Parental Involvement Notice

Inner Harbour is committed to providing a safe, challenging and exciting educational opportunity for children. In compliance with the Title I ESEA, Section 1118, NCLB Parental Involvement Policy we are strengthening and expanding the opportunities to involve parents and/or guardians in an effective partnership and to support the high academic standards and achievements. The following is a checklist for receipt of documentation on the opportunities available for involvement activities to address the full range of family and student needs that impact learning.

1. I have received and read the Inner Harbour Parental Involvement Policy and understand my rights as a guardian of participating children within the Inner Harbour School to jointly participate in the review and improvements of programs under Title I to meet the changing needs of parents, the school, and the students.
2. I am aware that Inner Harbour offers bi-annual meetings to inform me of this school's participation under Title I, explain Title I, its requirements and my rights to be involved; national education goals, state standards, and ways to be involved in decisions relating to the education of my child (ren).
3. Inner Harbour, to the extent practicable, will offer flexible meetings and provide services to minimize parental/guardian involvement barriers.
4. As a parent/guardian, I understand my right to receive in a timely manner all documentation and information on Title I programs, annual school review, school performance profiles, student assessments, curriculum and the opportunity to participate through a satisfaction survey.
5. I have received and read the Inner Harbour Legal Guardian Compact and understand my rights as a guardian of participating children within the Inner Harbour School to jointly participate in the review and improvements of the compact.
